<b>PARTNERSHIPS:</b>	Grand Solmar at Rancho San Lucas Resort Golf & Spa is included within the portfolio of luxury vacation rentals of Preferred Residences, a division of Preferred Hotels & Resorts. Properties represented within the Preferred Residents are identified by the brand as being "distinctively designed and located within the world's most desirable locations." As part of the program, all guests of the property are eligible to enroll in the <a href="#">iPrefer</a> hotel rewards program, which extends points redeemable for cash-value Reward Certificates, elite status, and special benefits such as complimentary Internet to members upon every stay at more than 600 participating Preferred Hotels & Resorts locations worldwide.
<b>DESCRIPTION:</b>	Impeccably designed by renowned Dallas-based architecture firm HKS, the resorts brings the coastal Baja Mexico feel to the vast beauty that only Los Cabos can offer. Mirroring the area's desert landscape, the overall design melds natural earth tones with traditional touches such as barrel tile roofs, archways and ironwork. Lush greenery and numerous water features, such as a lazy river and salt water lagoon, accentuate outdoor areas. The overall feel is sophisticated and welcoming, with a breezy ambiance throughout.

Resort amenities include one adult-only infinity pool and one kids pool with a mini waterpark; first-class fitness center with Life Fitness equipment; a full-service beauty salon; laundry mat; health clinic; concierge services and more. The Spa offers a menu of healing massages and body therapies with organic local ingredients and essential oils.

Guests of the resort will have access to other offerings in the Rancho San Lucas community such as an 18-hole Greg Norman designed golf course, a Mexican style shopping village, a tennis center, biking and hiking trails and much more.
