"While our guests are our top priority, we want to pamper our loyal female visitors and ensure the celebration keeps going throughout the month," said Ricardo Orozco, Solmar Hotels & Resorts vice-president of operations.

The pampering will begin with the collection's signature spa manicure, giving dedicated attention to the hands with a nourishing soak and exfoliation followed by a calming hand massage. Next is a comforting spa pedicure, featuring a foot bath with herbal oils and essences and a serene massage of the lower legs and feet for a truly aromatic experience. Finally, ladies will be able to embark on a sensorial journey with a 50-minute full body massage designed to alleviate tension, improve circulation, and leave guests in complete serenity. At USD \$170 for the three treatments, the luxurious experience is the perfect way to celebrate women at Solmar Hotels & Resorts.

The Solmar Spa Collection boasts locations at [Playa Grande Resort & Grand Spa](#) and [The Ridge at Playa Grande](#), [Grand Solmar Land's End Resort & Spa](#), and the hotelier's newest additions, [Grand Solmar at Rancho San Lucas Resort Golf & Spa](#) and [Grand Solmar The Residences at Rancho San Lucas](#). Guests are able to embark in a myriad of treatments centered in ultimate wellness with the Spa Collection's latest offerings in luxurious massage and facial techniques. Additionally, guests can also enjoy their treatments in exclusive seaside spa cabanas for a heightened private experience.

Paired with Solmar Hotels & Resorts' unparalleled views of the Pacific Ocean, unmatched gourmet cuisine, and stellar service, a spectacular pampering session is the perfect way to celebrate women this March. For more information and reservations, visit www.solmar.com.
