Solmar Hotels and Resorts has introduced Solmar Agent Expert, a new platform developed with travel agents in mind to provide a seamless management process for client reservations.

The program provides agents with a one-stop shop to book hotel and air or hotel-only options, track and manage client reservation details, track performance with a full online reporting dashboard and more.

Exciting New Destinations and with even more new hotels and resorts available to book

The registration is simple: Provide your name, address, and IATA number via the official Solmar Agent Expert website.

In addition to implementing tools to improve agents' booking process, they're also providing generous commissions when booking:

- 1 to 29 room nights: Agents earn a 10% commission
- 30 to 59 room nights: Agents earn a 15% commission
- 60 to 90 or more room nights: Agents earn an 18% commission plus a 4 day/3night certificate to enjoy at one of Solmar Hotels & Resorts properties
