1. The Ridge at Playa Grande

Next >

If the way to your client’s significant other’s heart is through their stomach, recommend a mouthwatering proposal at The Ridge Restaurant at **The Ridge at Playa Grande**. Foodie couples can indulge in The Ridge’s gourmet take on Mexican dishes or try a few Mediterranean-inspired recipes during a mid-afternoon proposal. For couples who would like to celebrate their engagement with family and friends, The Ridge offers a special farm-to-table dinner for \$182 pp using handpicked local organic ingredients, exclusively harvested by Solmar Hotels and Resorts’ chefs from nearby farms. No matter what option the soon-to-be-married couple chooses, this proposal will be served with a side of views overlooking the Marina Cabo San Lucas.
